10 days of prayer

## **Thursday 20th – Thanksgiving: Celebrating God’s Work**

Father, we thank You for all You’ve done through the Grow app. Thank You for every friendship formed, every faith strengthened, and every heart restored through Your grace.

You have been at work in the lives of those seeking hope, healing, and truth — and we give You all the glory. May every testimony of transformation point others to Your power, and may gratitude fuel our faith for what You’re about to do next.

We celebrate Your faithfulness, Lord — and we say: do it again. 🙌

## **Friday 21st – Expansion: Reaching Every Nation**

Lord, we pray that You use the Grow app to ignite faith and inspire transformation across the world. Open doors no one can shut. Lead

those who are searching to find this space of hope, truth and community.

Let Your light shine through Grow in every culture, and nation — until all people know the love of Jesus.

We declare: the earth shall be filled with the knowledge of the Lord as the waters cover the sea. 🌊

## **Saturday 22nd – Foundation: Built on His Promise**

Heavenly Father, we thank You for establishing Grow as a UK charity — a milestone of Your faithfulness. Now we look ahead with confidence, trusting You to guide every step as we prepare for future expansion into the US and beyond.

Lay firm foundations that no storm can shake. May this work be built on Christ alone — unshakable, unbreakable, unstoppable.

Lord, build Your house, and let it stand for Your glory.

## **Sunday 23rd – Strength: Blessing the Team**

Lord, we lift up the Grow team — ordinary people with extraordinary hearts. Thank You for their time, their creativity, and their sacrifice.

Refresh their spirits, strengthen their hands, and fill them with Your wisdom and joy. May their work bear lasting fruit and ripple across generations.

Bless every volunteer, developer, and dreamer — and multiply their efforts for Your Kingdom. ⚙️

**🔥 Monday 24<sup>th</sup> – Vision: Empowering a Generation**

God, we pray for the vision of Grow — to nurture the faith of a generation hungry for truth. May this app be a light in the noise, a place where faith flourishes, friendships thrive, and lives are transformed by Your love.

Give us boldness to dream bigger, faith to keep building, and resources to reach further.

We ask for hundreds of thousands to encounter You through Grow — and for hearts to be forever changed. 🌱

**🛡️ Tuesday 25<sup>th</sup> – Protection: Covered by His Hand**

Lord, surround Grow with Your divine protection. We declare that no weapon formed against it shall prosper, and every attack of the enemy shall be silenced. Raise up intercessors to stand guard in prayer — watchmen on the walls, alert and anointed.

Just as in Nehemiah's day, let every scheme of darkness be exposed and defeated.

We cover Grow in Your favour, Your fire, and Your faithfulness. 🔥

**💰 Wednesday 26<sup>th</sup> – Provision: God's Supply for God's Vision**

Father, You are our Provider. We call forth the financial resources needed to build Your Kingdom through Grow. Raise up passionate, generous givers who will invest in what You are doing.

Provide abundantly to hire full-time staff — developers, leaders, and creatives — to expand the mission.

We stand in faith for divine provision, supernatural increase, and open heaven generosity. 🙏

**🤝 Thursday 27<sup>th</sup> – Connection: Strengthening the Local Church**

Lord, let Grow become a bridge that connects Christians and churches in towns and cities everywhere. Use it to foster unity, collaboration, and mission in local communities.

Empower believers to serve faithfully where You've planted them, and equip churches to reach their neighborhoods with new strength and purpose.

May the Body of Christ rise in unity — growing together, stronger together, for Your glory. 🌿

**🌐 Friday 29<sup>th</sup> – Partnership: The Power of Unity**

Father, we pray for divine partnerships — for churches, ministries, and organisations to unite on Grow. Bring together those who share Your heart and mission.

May collaboration replace competition, and may unity release blessing and breakthrough. Build a powerful network of believers working as one to share the Gospel with the world.

We declare: the net is widening, and the harvest is coming in. 🌾

**👏 Sunday 29<sup>th</sup> – Harvest: Raising Up Volunteers**

Lord, the harvest is plentiful, but the workers are few. So we ask You to raise up anointed, committed volunteers — moderators, prayer warriors, content creators, and pastors — who will serve with joy and compassion.

May they carry Your heart for people and Your vision for this mission. Empower them to lead with grace, speak life, and bring hope to every corner of the Grow community.

Lord, send out Your workers — the harvest is ready. 🌱

**THANK YOU FOR STANDING WITH US IN PRAYER. IF YOU WOULD ALSO LIKE TO SUPPORT GROW FINANCIALLY WITH A ONE-OFF OR REGULAR GIFT, PLEASE DONATE AT [GROWFAITH.CO/GIVE](https://growfaith.co/give)**
